Your hire period is 14-days. Please call us when you are finished with the skip.

When you're loading the skip, please don't put anything above the height of the sides as it may be unsafe to carry. If the driver deems it unsafe to carry, it will not be picked up until it is made safe by yourself.

Once the skip has been delivered, please don't move it as we drop them down in a position that we can pick them up from. If it needs moving, ring the office.

We accept no liability for damage caused by our drivers being instructed to either take their vehicle or place skips off the public highway. This includes, but is not limited to, walls, driveways and gutters.

Any orders cancelled after payment has been taken are subject to a £25 cancellation fee. This may be higher if it is cancelled after the driver has set off due to diesel costs.

All of the above apply to every order placed with 1 Ace Skips Ltd.

Full terms and conditions are available at our website, which is [1aceskips.co.uk](http://1aceskips.co.uk).
